1 Intervenciones en el espacio privado

En el presente anexo a la Normativa del PMMIC de Costa San Miguel se relacionan las parcelas del Sistema Alojativo en las que se modifica algún parámetro urbanístico, detallando en qué consiste dicho cambio. En el resto de parcelas, no recogidas aquí, sigue vigente la totalidad de las determinaciones del Plan Parcial que corresponde a cada una de ellas. Del mismo modo, siguen vigentes todos aquellos parámetros de ordenación del planeamiento municipal que el presente PMMIC no modifique expresamente y que no contradigan lo establecido en el mismo.
